

A close-up, low-angle shot of a red Woods tractor in a field of tall green grass. The tractor's front end, including the hood and a black metal plate with the 'WOODS' logo, is the primary focus. The background shows the tractor's cab and rear wheel, slightly out of focus, against a clear blue sky. The overall composition is dynamic and emphasizes the ruggedness of the machinery.

# LANDSCAPE EQUIPMENT

---

Whether your landscape projects are contained in your own backyard or the way you make your living, you want equipment that's easy to use, easy to maintain, and built to last. That's what Woods delivers.

We build a full line of tools to tackle a variety of projects, such as putting in a new garden, reshaping a driveway, or cleaning up. We'll help you get the most out of the investment you've made in your tractor. And, at the end of the day, we'll help you feel good about all the chores you checked off your list.

**Pull it all together and you've got Woods Power — power to be more productive.**

**Box Scrapers:** From the reinforced steel A-frame to the tough, reversible cutting edge, our Woods box deliver exceptional quality and versatility.

**Grading Scrapers:** Ideal for leveling dirt and gravel in driveways, lawns and fields.

**Rear Blades:** Move dirt, grade driveways, and clear snow.

**Landscape Rakes:** Great for clean-up jobs and fine raking.

**Post Hole Diggers:** Power through a variety of soil conditions and projects, like planting trees and shrubs or installing deck or fence posts.

**Tandem Disc Harrows:** Whether breaking ground or tilling existing plots, Woods tandem offset discs are a rugged must-have tool for all industries.

# DISC HARROWS

**There's nothing like the smell of fresh-turned dirt, especially when you're doing what you love... working the land.**

Whether you're breaking new ground for a garden, or tilling an existing nursery, food plot, vineyard or farm, Woods has the right – the best – disc harrow for your land. You will get years of productive, reliable, dirt-turning work.

Built with high-strength U.S. steel, these rugged disc harrows carry Woods' reputation for durability and reliability. Plus, these new discs are easy to use due to innovative design features like individually adjustable disc gangs that reposition with a single pin.

shown with optional mud scrapers

Tapered frame design balances individual disc gangs for easy adjustments

## TRACTOR HP RANGE: UP TO 55 HP Models

**DHS48** | 48-inch    **DHS64** | 64-inch  
**DHS80** | 80-inch

- Mud scrapers that prevent clogging, increase productivity
- Furrow fillers (DHS64, DHS80)

## TRACTOR HP RANGE: 45 - 85 HP Models

**DHM80** | 80-inch    **DHM96** | 96-inch

- Furrow fillers to reduce end ridges
- Rear drawbar for towing equipment
- Mud scrapers that prevent clogging, increase productivity

shown with optional drawbar, furrow fillers and mud scrapers

## Disc Harrow Video

See our heavy-duty model in action! If you don't have a SmartPhone you can still see the video on the "Woods Equipment Company" YouTube channel or woodsequipment.com.

## Woods' Advantages

- Individual disc gangs adjust easily with one pin
- Rugged, high-strength steel frame and gangs mean years of worry-free performance
- Independent disc gangs angle from 0 to 21 degrees to match your soil type and tilling job
- Heavy down force makes each blade dig deeper, work harder in one pass

shown with optional drawbar, furrow fillers and mud scrapers

## TRACTOR HP RANGE: 50 - 110 HP

### Models

**DHH108T** | 108-inch    **DHH126T** | 126-inch  
**DHH144T** | 144-inch

Additional features and options:

- Advanced offset/tandem blade gangs leave an even finish across entire width – no center ridge
- Extended tongue design allows tight turns without hitting tractor tires
- Simple ratchet jack levels unit from front to back
- Optional rear drawbar for towing equipment
- Optional mud scrapers and furrow fillers to increase productivity
